Cordelia Bates, daughter of Jane and Christopher Bates was born in Seneca County, May the 5th 1847. She was united in marriage to Lorenzo Robinson on the 6th day of December 1866 to which union were born four children, George L. Robinson, Mrs. T. O. Lindley, Mrs. D. O. Bokerman and Mrs. Sam Rowe.

The late married life of her husband were spent on the farm in Freedom Township and in 1893 she moved to Ridgeville Corners. The failing health of both her husband and her own declining years, however, did not prevent her coming to Wauseon on July 1st, 1920. Here, in the newly purchased home and surrounded by her children and grandchildren, the heat of care she departed this life August 8th, 1920, aged 73 years, 3 months and 3 days.

She became a Christian in early life and united with the United Brethren Church to which she was devoted and faithful. While living in Ridgeville she attended the Congregational Church and Sunday School.

She was a loving wife and mother always kind and ever ready to lend a helping hand in caring for the sick and in providing for the comfort of others. She was active in charitable work and during the war knitted seventy-five pairs of socks for the Red Cross.

Her memory will be cherished by all who knew her but especially by her bereaved husband and children, two sisters, two brothers, nine grandchildren, twelve great-grandchildren, together with many other relatives and friends.

Tearfully we fold the tired hands Across the breast. Tenderly and quietly we lay her to rest.

While we are sad we should be glad That her sufferings are o'er And she is now with loved ones gone before.

Some day she will greet us While with the same sweet smile. Then we will know it was worth while.

That she should go on before To be there to meet us on the other shore.

Card of Thanks

We wish to express our gratitude for the many beautiful flowers and many other acts of sympathy and helpfulness during the illness and death of our wife and mother, Lorenzo Robinson and children.

CHAUTAUQUA

Wauseon's 1920 Redpath Chautauqua is in full swing as we go to press and it gives us pleasure to announce that the program thus far has exceeded the anticipations of the people in attendance. Every number has been given by talent of the highest rank and the audience has gone away from the tent after each session expressing keen appreciation of what they have heard and seen and declaring that any one of the afternoon and evening entertainments had been worth the price of the season ticket. It would be hard to conceive of anything that come into a community and give so much genuine pleasure and at the same time leave with the community so much of value in inspiration to real progress along all lines socially, commercially, educationally and morally. It is hardly possible to compute the real value of the chautauqua.

And yet the committee this year has to face a deficit of about \$78.00. A 1921 Chautauqua in Wauseon depend upon the people of the community at least 800 season tickets or the equivalent should be pledged this year in order to justify the committee in entering into a contract for next year.

Opportunity to express a choice will be given to all attendants on Friday and Saturday evenings and the evenings will bring the choicest numbers of the entire program.
